Beginners Kollege
Group Care (36 Months – 5 years)
Philosophy

At Beginners Kollege, we know each child is unique. We strive to provide a nurturing, loving, and creative environment for children. We are sensitive to their social, emotional, intellectual, and physical needs. We provide developmentally appropriate programs that focus on the process of learning while also helping them to enjoy many other successful experiences. We encourage not just learning, but also the love of learning.

Our Curriculum

We provide distinct types of materials to help improve the seven development domains. We offer a range of learning materials, a positive environment and activities that meet the individual developmental needs and group skills of children. For example, every day we walk through the local field, park, and forest so that children have a chance to connect with their local environment. We spend time with children as much free play and play outside, helping when they ask for help. We take care of the children in every way for their safety, well-being, and nutritional needs. We make sure they feel loved in the center all day long. We respect the emotions, words, and feelings of children.

When inside the facility, if our daily program resonates with an educational video, we use it to instruct the children about daily and monthly subjects. We understand that elders can be at the heart of the early learning agenda, their knowledge of cultural traditions and language can be of great benefit to children, families, educators, and the community. We involve parents as much as possible, for example when it comes to learning, we let parents talk about their work or culture. Even during COVID-19 we organize the same events as before, but instead on zoom as for graduation and Christmas party. We invited parents and grandparents to watch and support the children through zoom on the big TV. We have also zoomed in with Santa before during the Christmas of 2021.

We understand each unique situation and notice the differences and needs of each child. We also include the diversity of different families with books about different families, such as a single parent, two parents led by a household and a culture, adoptive parents, stepchildren, etc. We also provide various toys and books for cultural diversity. We include learning about indigenous and three diverse groups in the curriculum, we have various materials that we provide to children, including books, matching games, toys, puppets, puzzles. We also include various activities, such as art projects, and tutor children in a circle about their history and culture.

In conclusion, our facility understands that Canada is home to people with different ethnicities and different values. Our goal is to provide each child and their family with a service that gets their needs met appropriately. We will continue to grow into a bigger facility with the help of our local families.

Security deposit

Along with your completed parent contract, please remit payment of the non-refundable registration fee and the deposit (equal to one month's fees). The deposit will be cashed and held in account with us to be used towards your last month's fees. It will be accepted with one complete month of notice. Mid-month notices will not be accepted.

Beginners Kollege

Group Care (36 Months – 5 years)

Holidays

Beginners Kollege will be closed on the following statutory holidays
New Year's Day, Family Day, Good Friday, Easter Monday, Victoria Day, Canada Day, BC Day, Labor Day, Thanksgiving Day, Remembrance Day, Christmas Eve (Early closure), Christmas Day, Boxing Day. We will be closed from Christmas Day to New Year's Day.

Daily Program plan

A flexible yet predictable daily schedule increases your child's capacity for learning.
The truth is your child will have the best individual care because of a carefully planned daily schedule.

You have dropped your child off for the day and you cannot help but wonder what are they going to do all day? How will the staff know when she is hungry? What if he gets bored with the toys? What will the staff do if he cries? Will she miss me too much? Keeping children in a routing helps them feel secure and ensures that all their needs are being met. So, rest assured, your child is being cared for by trained professionals.

*We will provide you with a monthly calendar. Any updates will be posted on the calendar or telegram as well as pictures of your child's daily activity.

A TYPICAL DAY AT BEGINNERS KOLLEGE CHILDCARE CENTRE

To answer some of the questions you might be thinking regarding what your child will do all day, the activities of a typical day are listed below. Most daycares stick to the schedule with to-the minute precision, making your child feel like part of an assembly line. The teachers at Beginners Kollege Childcare Centre know that children may require more time for some activities and less time for others on any given day. For instance, if the children are captivated in a science project and it is evident that they are learning, the teachers will encourage them to finish their project rather than rushing them on to the next activity. Conversely, if the project takes less time than allotted for, the teachers will move on. Here is an outline of your child's day:

Suggested paragraph instead of the one above; simplified approach perhaps.
The following sections will help ease your mind about what your child will learn and what their daily routine looks like. The teachers at Beginners Kollege Childcare Centre are dedicated to your child's development and recognize that although predictability is healthy, flexibility is often necessary. Therefore, the following daily schedule is only a guide and is adjusted depending on the children needs.

Beginners Kollege

Group Care (36 Months – 5 years)

PRESCHOOL (AGE 3 TO 5 YEARS) DAILY SCHEDULE

The following times are flexible depending on your child's needs:

- 7:00 – 8:30am Arrival, Breakfast, Free Play

- 5:30-6:00 free play till parents come

PRESCHOOL (AGE 3 TO 5 YEARS) SKILLS & DEVELOPMENT

Our primary focus is to encourage your child's development. The following is a list of areas that your child will work on during a typical day:

- Literacy such as reading, discussing books, phonetics, and introduction to simple reading.
- Math such as addition, subtraction, seriating, measurement, and patterns.
- Science such as study of the human body, weather, magnets, animals, plants, etc.
- Social skills such as participating in group activities, developing a sense of independence, expressing personal opinions, developing positive relationships with peers and teachers.
- Self-help skills such as dressing themselves, toilet training and table manners.
- Creativity through arts such as developing self-expression, creativity, and imagination.
- Special days such as special guest, concerts, community visits, water play and picnics.
- Character education such as respect, inclusivity, positive communication skills and critical thinking.
- Arts such as painting, sculpting, music, creative movement, and drama.

Beginners Kollege

Group Care (36 Months – 5 years)

A FLEXIBLE DAILY SCHEDULE ALLOWS YOUR CHILD TO LEARN MORE

As mentioned above, this is just a guide to how the day progresses. Children have different needs each day. Allowing them individual needs helps your child learn more. If they are tired or have been sick, they may not have the attention span to complete an entire activity, but your child may benefit from another kind of activity that develops another set of skills. A flexible schedule allows your child to continue to benefit from the varied and diverse curriculum.

Personal Supply List

We ask that parents send the following items with their children on the first day of daycare. All the following items should be clearly labelled with your child's name.

- Spare change of clothes (shirt, pants, underwear, socks). Send clothes in large Ziploc bag with your child's name clearly marked on the outside.
- A pair of running shoes are needed for indoors, running shoes are recommended for the safety of your child to have the support for their growing feet.
- Flip flops, party shoes, open toe slippers, sandals or bedroom slippers are not acceptable.
- Each child needs their own brush in zip lock bag with the name on it.
- We would love to dress up special occasions:
Christmas concert, Graduation party, Yearly pictures
- Blanket, just crib sheet (bed size 120cm*58cm), (no adult sheets) and soft Toy for children work well. For hygiene items must fit in to a provided container that is 20*20*30cm. These items are sent home every Friday to be washed and must be returned on Monday or the day your child attends

Summer

Sun hats, sunscreen, a towel, bathing suit (two pieces for girls), water shoes or Crocs (no flip flops or sandals) during the summer months. Children needs to have running shoes with socks as well, they should have sunscreen on prior to coming to daycare in June, July, and August. Sun hat & sunscreen must be labelled.

Beginners Kollege

Group Care (36 Months – 5 years)

Autumn, winter, and spring
